

## Work

Kyeema offers Supported Employment Services to assist people with a disability to gain and participate in employment in their community.

We have a number of Supported Employment Enterprises that cover a range of topics.

### Seawinds Nursery

Grow and care for plants in our retail and wholesale nursery.

### Green Fingers Gardening

Mow and maintain the gardens of members of the community.

### Windward Industries

Clean and repair or recycle damaged equipment, wash cars.

**Kyeema has been supporting people with disabilities in the Glenelg Shire for over 50 years!**

## Supported Employment

Kyeema offers Supported Employment Services to assist people with a disability to gain and participate in employment in their community.

## **Plant sales and propagation**

Seawinds Nursery is a retail and wholesale plant nursery located at 191 Wellington Road, Portland.

The employees at Seawinds propagate and sell many varieties of plants, with a focus on species that are indigenous to the local area.

## **Garden maintenance and mowing**

Green Fingers Gardening is based at our Lalor St. office, and provides garden maintenance services to properties in and around Portland.

The employees provide many garden related services such as mowing and edging, weed management, hedge trimming, and spreading mulch.

## **Cleaning, maintenance, and recycling**

Windward Industries works closely with Alcoa to clean, maintain and recycle their equipment such as reusable gloves and Racal Helmets.

Windward also provides a pick-up/drop-off car cleaning service to Portland residents and businesses.
