## Retail and Wholesale Nursery

Specialising in:

Indigenous and Coastal Plants

Heirloom vegetable seedlings

Fruit and Citrus Trees

Native and Ornamental plants  
suitable for South-West Victoria

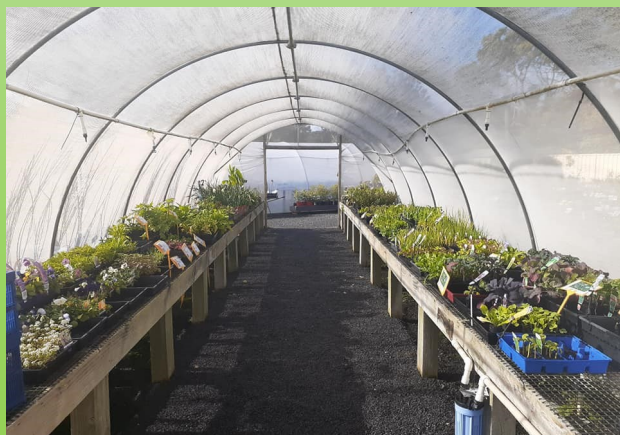

## Our Nursery

Seawinds Nursery is a non-profit business that was established in 1993 as a contract grower of native & exotic plants.

These days it is both a retail and wholesale nursery, supporting employment for people with disability in association with Kyeema Support Services Inc.

Seawinds employees work hard to propagate plants to suit our local climate and you can expect excellent customer service and smiles when you visit our nursery!

We have an excellent variety of seasonal plants year-round at fair prices for all budgets.

**We are proud to provide  
quality disability  
training and support**
